New Applicant Re-Enrollment

Community Connect is a program created by Home Telecom with the intent of bringing affordable Internet to all students in our community. To qualify the household must have at least one child registered in Kindergarten through 12th grade and participate in one of the government programs listed below. In addition, you must also be a new residential Internet customer that has not subscribed to Home Telecom Internet service within the last 90 days. The program is only offered where Home Telecom Internet service is currently available.
