VOICE MAIL

Voice Mail answers your line, plays your personal greeting, and records messages.

Access Your Mailbox from Your Home Phone:

1. Dial *99.
2. Your messages will play.

Access Your Mailbox if You Have Permanent Call Blocking:

1. Dial *82 to release your telephone number.
2. Dial *99.
3. Your messages will play.
4. When you hang up, your Permanent Call Blocking will be restored.

Access Your Mailbox from Any Other Touch-tone Phone:

1. Dial your telephone number.
2. Press * during the greeting.
3. Enter your four-digit password.
4. Your messages will play.

CALLER ID BASIC

Displays the caller's telephone number after the ring. This information appears on a special phone or display unit not included with the service. The type of information and number of calls displayed may vary depending on the type of unit.

CALLER ID NAME & NUMBER

Displays the caller's name and telephone number after the first ring. This information appears on a special phone or display unit not included with the service. The type of information and number of calls displayed may vary depending on the type of unit.

CALL WAITING

When you have an incoming call while you are on the phone, a special tone lets you know another party is calling.

To cancel:

1. Lift handset; wait for dial tone.
2. Before making a call, press *70; wait for new dial tone.
3. Dial the number.
4. Call Waiting will be restored after you hang up.

CALL WAITING DISPLAY

A special tone lets you know when another call is coming in. The caller's name and number appear on a special display unit. Caller ID is required for this service.

CALLER ID NAME & NUMBER BLOCKING

Permanent – Blocks your name and number from being delivered every time you make a call.

If you have Caller ID Name and Number Permanent Blocking and press *82 before making a call, your permanent Call Blocking will be canceled for that call. Blocking will be restored when you hang up.

Per Call – Block your name and number from being delivered on a per call basis.

1. Lift handset; wait for dial tone.
2. Press *67 then the number you are calling.
3. Your name and number will not be delivered for that call.

CALL RETURN

Calls the last person who called you. If the line is busy, Call Return will keep trying until the line is free; you can continue to make and receive calls.

1. Lift handset; wait for dial tone.
2. Press *69; hear telephone number of last received call.
3. To return the call, press 1.

If the line is busy: You will hear a recording. Hang up. You will hear a special ring when the line is free.

To cancel:

1. Lift handset; wait for dial tone.
2. Press *89; hear confirmation tone.

THREE-WAY CALLING

Allows you to add a third party to your existing conversation.

1. Place the first call on hold by depressing the switch hook. Wait for new dial tone.
2. Dial the third party's number. After they answer, simply add the holding party by depressing the switch hook.

CALL FORWARDING

Redirect calls to another telephone number.

1. Lift handset; wait for dial tone.
2. Press *72.
3. Dial the number where your calls are to be forwarded.

To cancel: Press *73; wait for tone.

SELECTIVE CALL FORWARDING

Allows you to create a list of up to 31 phone numbers that are to be forwarded. All other calls will not forward.

1. Press *63.
2. Listen to the instructions that will guide you through the steps of how-to:
Turn the feature on and off.
Make changes to your list.
Enter/change/confirm the forward-to number.

REPEAT DIALING

Dials the last number you called without having to redial the number. Also redials a busy number until it is free. You can activate this feature for more than one busy number at the time, and receive and make calls while the feature is activated.

1. Lift handset; wait for dial tone.
 2. Press *66.
- If the line is busy:**
3. Listen for an announcement telling you the number is busy.
 4. You will hear a special ring when the line is free.
 5. Your call is placed when you lift your handset.

To cancel:

1. Lift handset and listen for dial tone.
2. Press *86. Wait for tone.

DISTINCTIVE RINGING/CALL WAITING

Create a list of up to 31 numbers, and a call from any number on your list will have a special ring.

1. Press *61.
2. Listen to the voice instructions that will guide you through the steps of how-to:
Turn feature on and off.
Make changes to your list.

SPEED CALLING

Allows you to call up to 8 numbers by dialing a one-digit code.

To Program:

1. Lift handset; wait for dial tone.
2. Press *74. Wait for dial tone.
3. Dial one of the 8 access codes (2-9) then dial the telephone number you wish to program followed by #.

To Use:

1. Press the one digit code of the person you wish to call, then press #.

To Change Your List:

1. Press *74. Wait for new dial tone.
2. Dial the access code of the number to be changed followed by #. Wait for cancellation tone.

PERSONAL CALL SERVICE

Allows two or three telephone numbers to be assigned to a single line, and each number has a different ringing pattern so that calls to each number can be recognized.

Ring Patterns:

Main Number: 2 normal rings

First Additional Number: 1 short, 1 normal, 1 short ring

Second Additional Number:
2 short, 1 normal ring

If you have Call Waiting, each number will have a distinctive Call Waiting tone.

Call Waiting Tone Patterns:

Main Number: 1 normal tone

First Additional Number: 2 short tones

Second Additional Number: 3 short tones

Only the Main Number will forward when Call Forwarding is activated. The two additional numbers will remain at the same location with their distinctive ringing patterns.

SELECTIVE CALL ACCEPT

Allows you to screen incoming calls by creating a list of up to 31 phone numbers from which you are willing to accept calls. Calls from numbers not on the list are sent to a message informing the caller that you are not accepting calls at this time.

1. Press *64.
2. Listen to the instructions that will guide you through the steps of how-to:
Turn feature on and off.
Make changes to your list.

SELECTIVE CALL REJECT

Allows you to screen incoming calls by creating a list of up to 31 numbers from which you do not wish to receive calls. Calls on your list are sent to a message informing the caller you are not accepting calls at this time.

1. Press *60.
2. Listen to the instructions that will guide you through the steps of how-to:
Turn Call Reject on and off.
Make changes to your list.

ANONYMOUS CALL REJECT

Blocks callers that have activated Caller ID Blocking.

1. Lift handset; wait for dial tone.
2. Press *77. Wait for tone.

To cancel:

1. Lift handset; wait for dial tone.
2. Press *87.

CALL TRACING

Trace abusive or unwanted calls.

1. Hang up after receiving an abusive call.
2. Immediately press *57, listen for recording.
3. Call your local law enforcement agency and have the call investigated.
