

# Installation Guide: Amazon Fire TV

## How to add the HomeStreamTV app from your device:

1. An Amazon account is required. If you do not have an Amazon account, go to Amazon.com to create one.
2. New and existing Home Telecom customers must call **888-746-4482** to register for HomeStreamTV. One of our Customer Relationship Specialists will assign a username and password to you.
3. If you are setting up your device for the first time, select 'No Thanks' when it asks if you'd like to add streaming services. The 'HomeStreamTV' app is not available in this section. You can go back and do this later if desired.
4. Once you have received your login information, using your Fire TV or Fire TV stick, go to Apps.
5. Using the search tool, enter "HomeStreamTV" (type this as one word without spaces) to search for the app.
6. Select the 'HomeStreamTV' app and download it.
7. Once installed, launch the app from either your home screen or Apps.
8. Enter the username and password you were assigned from Home Telecom.

## How to add the HomeStreamTV app from your computer:

1. An Amazon account is required. If you do not have an Amazon account, go to Amazon.com to create one.
2. Login to your Amazon account.
3. Click the drop down box in front of the search bar and select 'Prime Video'.
4. Search "HomeStreamTV" (type this as one word without spaces) in the search bar and select it.
5. On the right side of the screen, you can select to deliver the app to your Fire Stick or Fire TV device, or to the cloud to download from your device.
6. Click 'Get App'.
7. Return to your Fire Stick or Fire TV device. If you delivered it directly to your device, you should see it with your Apps. If you sent the device to the cloud, you need to go to Settings, My Account, and Sync Amazon Content.
8. Launch the app.
9. Enter the username and password you were assigned from Home Telecom.
