*Installation charges apply. All services/speeds not available in all areas. Listed speeds are "up to" speeds and are not guaranteed. There are many factors that may cause actual speeds to vary that are outside of our control such as equipment used and external network conditions. With MyWiFi an installation fee applies. The first 10 wireless devices are included in the installation fee; additional devices can be networked for a one-time fee of \$9.95 per device. Devices must have wireless capabilities and meet minimum system and security requirements. Must be a Home Telecom high speed Internet subscriber.
